

GARY DRANOW AND THE MANIC EMOTIONS

DISCOGRAPHY

Gary Dranow and the Manic Emotions, a blues rock band from Park City, UT, break free from genre constraints with their unique blend of blues-infused Rock N Roll. Emerging as a powerful force on the global music scene, they stand out as a gem within the US rock scene, defying traditional expectations under the leadership of Gary Dranow. Beyond their musical prowess, the band's journey is marked by Gary Dranow's transition from successful outdoor sports business ventures to using music as a coping mechanism for bipolar disorder and the aftermath of a stroke. The result is a collection of genre-defying songs that provide solace to those dealing with similar challenges, highlighting the band's ability to deeply connect with listeners.
